From our Senior Pastor

What do you take with you on vacation? Perhaps this depends on where you go. But are there things that go with you no matter where you go? I imagine your toothbrush goes with you. And I imagine there are favorite outfits you

might take. Do you take books with you? Or maybe your Kindle full of books? Do you take your family? Or do you head off by yourself? To me vacation is not really vacation if I do not have my family with me.

Where do you go? Do you like the mountains? Or are you a beach person? Do you like to fish, hike, explore? Or do you like to sit and do nothing for a week or so? Do you like to go to historic places? Do you like to go to concerts? Do you go someplace new each time? Or do you have a place you always go and know as your “home away from home?”

Wherever you go, whatever you do this summer, remember the Lord goes with you. Some may not think to ask him, but Jesus promises “Lo, I am with you always.” Since this is the case, why not make a conscious choice to include Jesus in your travel plans? In your reading material consider taking your devotional booklet. If you are away over a Sunday, plan to worship Jesus in a local church. As you spend time with your family, include a brief time of prayer together as you travel. Vacation can be a great time to add a little reflection at the end of each day and thank Jesus for the break from your routine, and for the time you have together as a family. If this is new to you it may seem a little strange at first, but the sense of grounding and peace that can come from this can be surprising and refreshing.

This summer be sure to invite the Lord on your vacation. And then, when you return, remember the Lord returns with you, too, inviting you back to your home and to His.

Rejoice!

*Rejoice in the Lord always, and again I say, rejoice! –
Philippians 4:4*

Rejoice! This is the word we are using now that we have reached the conclusion of the Restoring, Rebuilding, Renewing Financial Appeal. And we have much to celebrate. After three years we have accomplished a great deal.

Our Restoration Project has been completed, with the replacement of our heating system, new air conditioning installed throughout the facility, removal of hazardous materials and buried oil tanks, conversion to natural gas, installation of new windows, doors and floors, renovation of the “not so Knotty-Pine” room, rebuilding of the front portico, replacement and addition of sump pumps and dehumidification system in Elbert Hall, installation of a new emergency generator, and the rebuilding of our pipe organ.

The project was made possible by the congregation’s generous response to the financial appeal. As we entered into the Appeal we received pledges from 88 households, totaling \$277,435. At the end of the Appeal we received from those pledging households \$299,338! And that is not all. We also have had many households give, often regularly, to the Appeal even though they were not comfortable making a stated pledge. When the gifts from these members and friends are included, we have received \$378,571 in the Restoring, Rebuilding, Renewing Financial Appeal! Can you see why we are rejoicing?

In addition to these gifts made to the RRR Appeal directly by members and friends, we also received gifts from other offerings, such as unnamed gifts in pew envelopes, and gifts to the project in memory of departed loved ones. These receipts tallied in the tens of thousands of dollars. Can you see why we are rejoicing?

We used money from the Endowment Account to make this work happen as well, in the amount of \$435,600. We also had some reserves in our Nursery School account which helped with the courtyard, windows and doors, and the knotty pine room in the amount of \$76,000. Add to that the loan from the Mission Investment Fund of \$790,000, and we were able to accomplish what many thought would be impossible to do in a time of deep national, and for many of our people, deep personal recession.

Yet another reason we rejoice is for the gift the Mission Investment Fund is to the Church. The interest we pay on our loan (a very reasonable 5%) is reinvested in other congregations as they either build new churches, or, like us, renovate existing ministry sites. The Church supports the Church in a way that the secular banks are not able to do, as new congregations do not have any credit history to be verified for starter loans. This is where the Mission Investment Fund steps in. And we rejoice.

We were blessed to have the assistance of faithful partners in ministry, particularly Pr. Renee Liabraaten and Kairos Associates, who worked with our congregation to set a vision for ministry and define why we needed this money. We were blessed by many in our congregation who worked on this Appeal and Project, particularly (though certainly not limited to!) our Appeal chairs Meredith Harris and Craig Gardner, and our Project managers Joe Regan, Jim Snyder and Bob Potter. In these we rejoice.

The verse we used for our Appeal is from 2 Chronicles 24:13 “So those who were engaged in the work labored, and the repairing went forward at their hands, and they restored the house of God to its proper condition and strengthened it.” Thanks to you, the labor went forward, and the temple of the Lord is better than ever. Rejoice in the Lord! Again I say, Rejoice!

Christian Education Committee

We would like to thank everyone who helped to make our Christian Education program run smoothly this year. Certificates of appreciation were handed out on June 15. There are too many names to mention in this article, but please know that your dedication to this program is greatly appreciated.

If you have a desire to be a part of our program, we have some openings! We are looking for someone to teach our 5th/6th grade class and our senior high class. In addition, we are always in need of substitutes. please contact Carol Penjue, Dave Krauter, or Pastor Richard for more information.

We would like to remind you that Vacation Bible School is just around the corner. This year’s theme is Weird Animals. The program is geared for children age 4 through Grade 6 and will begin on July 28 from 9:00 to 11:30 a.m and run for one week. Registration forms are available on the table in the hallway. Please return completed forms to the church office. As always, many hands are needed to help make this program run smoothly. Adults interested in helping, please contact Julie Cirillo at manoalstgrade@hotmail.com for more details.

Finally, we have already started making plans for our Sunday School program in the fall. Rally Day Kick-Off will be September 7. Save the date!

The Shift Begins:

As we end the Restoring, Rebuilding, Renewing Financial Appeal, we now need to shift our attention back to fully funding the ministry we do in this building. As we have said from the beginning, we are not restoring the building to be a museum or a monument. We are restoring the building so that it can be used. The building is a tool, a resource, to accomplish the work Jesus gives us to do in this community, as we work to Connect People and Change Lives through Jesus Christ. As we have such a large facility, there will always be things that need repair and attention. We will keep the building fund envelope in our monthly packets, and money given in it will be dedicated for the building (at this time, primarily for the roof.) However, now that the Project is completed, we need to shift our primary support to the ministry we do under this roof.

In this building meals are prepared for Aid for Friends, food and supplies are collected for Loaves and Fishes, thousands of units are gathered in the Souper Bowl of Caring, school kits are gathered and made for children who need supplies for learning. In this building hundreds of children are educated in our Christian Nursery School, our Sunday School and Vacation Bible School. Adults come together here to study the Bible, to make quilts for Ronald McDonald House and Lutheran World Relief, to make health kits and support Silver Springs – Martin Luther School. In this building Girl Scouts and Boy Scouts from Cubs to Eagles gather and grow. In this building Jesus Christ is worshipped and adored, and people approach the throne of grace in praise and supplication.

This entire ministry needs our support. In these past three years we have been supporting this work for Jesus, but we have had our attention diverted by the needed restoration to the facility in which we do this work. Our support for the Restoration Appeal has been tremendous. But we have also seen the ongoing support of our work in this place fall short. A portion of that which needs to be supported now that we are finished with the Restoration Project is the increased loan we needed to make this project possible.

Several families have heard the call to shift financial support back to the general fund for ministry. On the day we celebrated the conclusion of the Appeal we received special gifts to the general fund of \$6,000! This is in addition to many families who, now that their Restoration Appeal pledge is completed, have shifted a portion of that giving back to support of the work done in this building. You are invited to join this trend, making the funding of our ministry strong again. Thanks be to God!

The Widow's Might!

Many are familiar with the Bible story of the widow who was praised by Jesus for giving two copper coins, worth barely a penny. He commented that since this was all she had to live on, she had given more than all those who had given from their abundant wealth to the treasury in the temple. This story is often called "The Widow's Mite." (A "mite" was the smallest of all coins in Jewish currency.) Saint Matthew has been blessed by a widow, our beloved Florence Lutz, who through devotion to Jesus and thoughtful planning was able to make a "might"-y difference for our ministry.

Florence, who passed away in December, had two insurance policies in which Saint Matthew was named a beneficiary. When these policies were disbursed, Saint Matthew received \$8,000! Our policy for such undesignated gifts to the congregation is to put a portion into our "Undesignated Bequests/Memorials" fund, which can be used for the expenses of our ongoing ministry, and a portion to our Endowment Fund to allow that fund to grow to ensure our future financial security. What a tremendous gift Florence (and Ralph) Lutz made to the work we do in Jesus' name. We are grateful to God for their faithful stewardship of what God blessed them with.

If you would like to explore ways in which you can make an impact for the Lord by planned giving, please speak with any member of our Endowment Committee: Jim Snyder, Tom Savage, or Joanne Castagna.

Children's Corner

Dear Children:

When I was a little girl, I remember a very popular song "Cruising Down the River on a Sunday Afternoon" - and I used to imagine all the wonderful sights I might see while I would be relaxing on the deck of a boat sipping some lemonade. About as close to that vision was a little trip on a weathered old row boat putting worms on a hook (or rather Dad was doing that) on Tyler Lake. Well, I finally got to live my dream a few weeks ago when Mr. Yost and I (plus several Maris Grovers) headed to Amsterdam and boarded a lovely river boat and embarked on a wonderful sightseeing voyage on the waterways of Holland and Belgium. This time, instead of trying to hook some fish, I looked for ways in which the Creator has shown His love for us and I wasn't disappointed. The first sign that stood out in my mind was one of **Strength and Courage** - after World War II, the city of Rotterdam was totally bombed and destroyed: the Dutch people gradually rebuilt the city and now, 70 years later, it is a beautiful, modern city with one of the largest harbors in Europe.

The second sign was one of **Ingenuity** - as we visited Kinderdijk's windmills and learned all about the Dutch resolve to keep the sea water from flooding this low-lying country - Dutch engineers are in demand all over the world. The third sign was **Artistry** - as we toured St. John's Church and admired the exquisite stained glass. The fourth sign was **Honor** - we made a

special stop at the Liberation Museum - this stop was an emotional visit in remembrance of the valiant American and Canadian soldiers who liberated the people of the Netherlands after years of cruel occupation by Hitler's army. The fifth sign was **Kindness** - a small group of us were guests of a Dutch family and we had a wonderful exchange of cultures, tea and goodies. They were very anxious to hear about life in the United States and, of course, we certainly enjoyed hearing about their schools, home life, families, etc. - this was done in their colorful garden while eating appetizers and drinking tea. What fun!! Now, for number six - **Beauty** - and probably the main reason for going to the Netherlands - tulips. We saw field after field containing various species of tulips and other flowers; gardens too; beautifully clothed in all the colors of the rainbow - what a glorious gift from the Creator - I have never seen such vast arrays of color in my life!

What marvelous events that God places in our path - we just have to notice them and give thanks. What events have you noticed this past week?

Dear Parents:

I guess that I never stop being a teacher - so perhaps a map of any country (U.S. is a great example) might be useful for tracing rivers that are navigate-able. Where would you stop - what would you like to see? Help your youngster find strength, courage, ingenuity, artistry, honor, and beauty in our world.

Social Ministry

Once again Social Ministry has begun collecting school supplies for the children of Faith Immanuel Lutheran Church in East Lansdowne. We will be collecting these items until mid-August. There is a bin in the hallway for your donations. Any and all items are needed and greatly appreciated.

We continue to collect non-perishable food, gently used kitchen items, and gently used children's books for those that utilize the Loaves and Fishes Food Pantry. Children that are eligible for free or reduced-cost lunches at school are now home for the summer, so the need is even greater. Once a month, Rick Link organizes a group of volunteers to go to the pantry to pack food items for distribution. He can use more help, so please contact him if you can assist in this project.

Silver Springs News

Sunday, June 8, was a very special day in the history of Silver Springs/Martin Luther School. On that beautiful Sunday afternoon, Kristen Gay, PhD. was installed as the new President of Silver Springs/Martin Luther School. The installation service was officiated by Bishop Claire Burkat. As a member of the many volunteers who serve at Silver Springs, I was asked to be a representative for the members of Saint Matthew who have been so willing to support the school. It was quite an honor to be called to the stage to assist in the service. Along with the Bishop there were members of the Board of Trustees; the Gay Family including

Kristen's parents; Pastor Ericsson from Saint Luke's Devon, Kristen's home church; and as always, Sister Sally Kerr. Also, some of the children at Silver Springs formed a choir and sang two songs. The whole afternoon was very beautiful and very meaningful and very well attended.

As you may know, we at Saint Matthew support Silver Springs/Martin Luther School with many different programs. To the staff several of the Women of the ELCA ladies are known as "the wrappers" for our day spent wrapping the children's Christmas gifts. That is 6 gifts each for 72 children. Besides monetary gifts the ladies of the Women of the ELCA also make favors for the children 7 times a year, collect Christmas gift donations, and assist with "Fun Day in August."

We, as members of the Southeastern Pennsylvania Synod, should be very proud of the wonderful work done by the staff at Silver Springs/Martin Luther School and we wish Kristen Gay the very best as she begins this ministry.

September Newsletter Deadline

Articles for the September newsletter are due in the church office by **12:00 p.m. on Thursday, August 7.**

Monthly Mailbag

Dear Friends at Saint Matthew,

The beautiful Easter lily was delivered by Joan Krauter and has been enjoyed so much. I was not at home when Joan came. We had a pleasant chat later. Thank you all for the remembrance.

Sincerely,
Edna Graefe

Dear Saint Matthew Family,

Thank you so much for the altar flowers, cards and wishes to my Mom during her recent hospitalization and stay at rehab. Also many thanks for the many cards, prayers and well wishes during my recent hospitalization, round of tests and heart catheterization. Everything turned out fine and we are both doing well. I am very grateful for your prayers and concern and blessed to be part of this church family.

In Christ's love,
Joanne Castagna
