"In baptism our gracious heavenly Father frees us from sin and death by joining us to the death and resurrection of our Lord Jesus Christ. We are born children of a fallen humanity; by water and the Holy Spirit we are re-born children of God and made members of the church, the body of Christ. Living with Christ and in the communion of saints, we grow in faith, love, and obedience to the will of God."

What difference does Baptism make?

This is the topic we will explore together as we move through the season of Lent. We know that it is important to be baptized. We bring our children to receive this sacrament. But what difference does it make? Does it matter in our day-to-day living? Does it make a difference in our relationships with others? Does it make any impact on the world?

In the Baptismal service we speak these words:

As you bring *your children* to receive the gift of baptism, you are entrusted with responsibilities: to live with *them* among God's faithful people, bring *them* to the word of God and the holy supper, teach *them* the Lord's Prayer, the Creed, and the Ten Commandments, place in *their* hands the holy scriptures, and nurture *them* in faith and prayer, so that *your children* may learn to trust God, proclaim Christ through word and deed, care for others and the world God made, and work for justice and peace.

And again in the Affirmation of Baptism (Confirmation) service we ask:

You have made public profession of your faith. Do you intend to continue in the covenant God made with you in holy baptism:
to live among God's faithful people,
to hear the word of God and share in the Lord's supper,
to proclaim the good news of God in Christ through word and deed,
to serve all people, following the example of Jesus,
and to strive for justice and peace in all the earth?

In each of these exhortations we see the themes that define life in the Church: Fellowship (support of brothers and sisters in Christ), Worship (praise and prayer offered to Jesus), Education (being formed in faith), Evangelism (inviting others to know Jesus), Social Ministry (caring for the needs of those in our communities), Advocacy (standing for, and with, those who do not have a voice).

How does our baptism empower us to live well in community with God and with neighbor? How does baptism inspire us to be all that God wishes us to be? Can baptism be more than just a ritual we do because our parents or our grandparents told us to do this for our children?

Each Wednesday in Lent we will look at a different aspect of our baptismal covenant, and ponder what difference it can make. We will gather at noon or at 7:00 p.m. for worship, conversation, and discernment on what baptism means for us as people of faith. Prior to the evening service we will gather with each other at six for a simple supper of soup and salad. Each supper will be sponsored by a different ministry team of our congregation. On that evening we will consider the work of that team as we worship.

This tradition of soup suppers during Lent was common across much of the church for a long time. It is a way for us to join with each other, and it is also a way in which we can consider what it is to live more simply, to "give up" a little of the excess in our lives. Lent is a particularly appropriate time to do this as we consider how Jesus gave everything he had in heaven to be in fellowship with us here on earth, and bring us back to God through the Cross and Resurrection.

Baptism is the way in which we become Children of God, and inheritors of eternal life. Let us explore together what difference this truth can make in our lives as we continue our journey through this world.

In Christ,
Pastor Karl M. Richard

Wednesday Services during Lent

The Lenten season provides the opportunity to gather together more frequently as we add a mid-week service and as a result, it gives us a chance to grow closer as a community. To accommodate both those who prefer a service during daylight hours, as well as those who can only come to an evening service, we are again offering two services each Wednesday during Lent. Starting Ash Wednesday up until Holy Week, we will have a Wednesday service both at noon and at 7:00 p.m.

Starting on Wednesday, March 4th, (the week after Ash Wednesday) there will be a 6:00 soup supper each Wednesday before the 7:00 service. Various committees and organizations are taking turns hosting each soup supper. This includes Worship and Music, Social Ministry, Women of the ELCA, Fellowship, and Christian Education. Thank you to the members of these committees and groups for hosting these suppers.

We encourage you to attend as many of the Wednesday services as you are able.

Children's Dance

On Sunday, February 16th, Family Ministries hosted our first Saint Matthew Children's Dance. The congregation and the families from our nursery school were invited to attend. They were encouraged to bring "someone special" in their life to the dance. It was a fun night of dancing, crafts, photo booth, snacks, and even a moon bounce. Greg Smith did a fantastic job running the DJ booth. I am so thankful to all the volunteers that helped with this event! There were approximately 95 people in attendance. It was incredible watching so many people come together to share in God's love for us, and our love for one another.

Christian Education Updates

It was an exciting month in February. Dawn Liscom had the Sunday School students make Valentines for the homebound members and people on the prayer list. They made twenty-two Valentine's Day cards. Thank you, Dawn, for doing this outreach.

We are getting the registration out this month for Vacation Bible School. If you are interested in helping, please let Julie know. We will be having VBS on July 20-24 from 9:00-11:30. Thank you for your support!

The Christian Education Committee wishes everyone a blessed and faith-filled Lent!

Men's Breakfast

The March Men's Breakfast will be held on Saturday, March 21, at 7:15 a.m. at the Court Diner. All men are invited to join us for morning devotions, a great speaker, an excellent breakfast and good fellowship. Please come and enjoy an excellent way to start the day.

Souper Bowl of Caring

As we strive to walk in the shadow of Jesus, just a note to let you know how we have done with **only one** of the Saint Matthew families' projects. While all of the food we process does not come from our members, it comes from our friends and we rejoice to be able to process and make delivery to *Loaves and Fishes* where the need is greater than ever.

Get Fit and Give Back

Join us March 29th from 3 to 5 p.m. to raise funds and awareness for Trisomy. The cost is \$10 and proceeds will benefit the Jacqueline Grace Project. Trisomy is a genetic disorder in which a person has three copies of a chromosome instead of two. This extra chromosome results in congenital malformations, serious developmental and motor delays, and a high incidence of mortality. In addition to this charity event, for the month of March we will be collecting small personal care items to be placed in support bags which are given to families in the hospital dealing with Trisomy diagnosis. Some items that are needed include crossword and word search books, light-up balls (little ones with the flashing LED light inside), and little notebooks for parents to journal and communicate with doctors. Any questions or concerns, please contact Nicole Smith at 610-416-1854.

Union Soccer Team Faith and Family Night

On Sunday, April 19, at 4:00 p.m. the Philadelphia Union Soccer team will play New York City. Following the game at 6:30 p.m. we will hear the testimony of Union player Ray Gaddis and other team panelists followed by a Question and Answer session and prayer. The cost is \$25 per person. Sign up on the hallway table by March 27. All money and the final headcount is due to Nicole Smith by March 27.

	<u>January 2020</u>	<u>Year to Date</u>
Giving/Income	\$ 43,285.38	\$ 43,285.38
Expenses	<u>45,976.44</u>	<u>45,976.44</u>
Plus/Minus	\$ (2,691.06)	\$ (2,691.06)

Summary: Our preliminary Budget vs. Actual report for January shows that we started out the new year slightly in the red

in the amount of approximately \$2,700. We received about \$43,300 in Giving/Income while our expenses were \$46,000. As a reminder, for the year we have approved a budget with a total negative in the amount of \$37,000. Thank you all for your continued support for the ministry of Saint Matthew.

Giving Opportunities: At the congregational meeting in January, Joe Regan went over updates to our Building in Grace campaign. During that presentation Joe mentioned that the cost to replace an individual lighting unit in Elbert Hall would run about \$350 per lighting unit and that we needed about 18 of those units. Even if you have already pledged to the campaign, would you also be able to additionally pay for all or part of one unit or for multiple fixtures for this project. The more we continue to raise for this campaign will allow us to finish the necessary repairs earlier and allow us to have additional funds to tackle other items on the project. Any donation is extremely helpful.

Children's Corner

Dear Children, "The people who walked in darkness have seen a great light; Those who have lived in a land of deep darkness—on them light has shined." Isaiah 9:2

"In the beginning was the Word, and the WORD was with God, and the WORD was God.....God is light and in him there is no darkness at all." John 1:1. John 1:5

Except for the dark and somber days of nightly winters when I can put on my cozy slippers, don my cuddly bath robe, and nestle down with a book, I have never been a fan of darkness. Several years ago, Mr. Yost and I took the grandchildren to a cave in Central Pennsylvania. I was a little anxious as we descended the steep stone stairs. The terrain of the dimly lit cave became very rugged and although the display of stalactites, stalagmites and ponds were beautiful, I felt "hemmed in" and was ready to leave. Because the other three members were enjoying every minute, I did manage to "ride the course," but was a "Happy Camper" when we finally ascended the stairs and saw the sunshine. Although this was a fun excursion into the unknown, there are many times in our lives that we walk in darkness—when a good friend moves away, a struggle with school, a sick relative, and so many more sad times. We are lucky, however, to have Jesus who will walk with us through the darkness and bring us into the light. I deliberately chose the subject of "light" for this month's Children's Corner because since November, we have endured early darkness making it difficult to play and work outside—but along comes SPRING—with long days of sunlight, buds popping on the trees, flowers blooming, birds singing, etc. What JOY!!!! Remember, children, that Jesus is always in our lives to help us over the dark portions of our lives—take advantage of this and remember to ask him for help. I think too that Jesus would want you to help with his work and support a good friend as he/she travels a rough journey. You, too, can be a light for someone's darkness.

Dear Parents,

You might want to find some phrases in the Bible that talk about light. For a start, try Isaiah 60:1, John 12:46, and John 1:1-18. What are these passages trying to tell you?

Nursery School

March will be an exciting month here at our Nursery School! Registration continues for the 2020-2021 school year. We offer 2 day classes for three-year olds, 3 day classes for four-year olds, and a 5 day class for the five-year olds. Our school pictures will be taken by Mike DiTrolio of Active Image Photography, and we will get a visit from Doc Bresler's Cavity Busters for a dental health presentation.

Our children will discover if March "comes in like a lion" and "goes out like a lamb." We will welcome Spring and wake up the hibernating bears in each of our classrooms. Also, as we begin preparation for our Spring Art Show, stay tuned for updates; you don't want to miss it!

As March approaches we look forward to sharing special times with the children...and possibly more snow fall!

Please "like" us on Facebook to see the hard work of our staff and students!

Silver Springs-Martin Luther School Volunteer Opportunity

Silver Springs-Martin Luther School is looking for reading volunteers. The school started using a new program called Leveled Literacy Interventions and has seen great success. Some kids have increased their reading two grade levels since September and are now reading at grade level! The system is scripted and volunteers would guide small groups of students (3-4 at most) through a 30-minute lesson helping them with reading and writing. Ideally, a volunteer could come 1-2 times a week for an hour or two and in that time would see a couple groups of kids. Volunteers will be trained in using the system by one of our great reading specialists.

There's a little paperwork involved. One of the reading specialists at the school offered to have anyone interested in volunteering visit and observe a lesson to see if it's a good fit for them. If you are interested in this, please contact Nancy Regan.

We have a list of items that this organization could use to help children get settled in their own beds. If you are able, please consider bringing one of these items to church on this Sunday. There will also be envelopes available for monetary donations. The Beds for Kids Program accepts items that children would be proud to own. Items cannot be stained, ripped, or in need of repairs. Monthly Mailbag

Dear Saint Matthew Friends,

Thank you for generously donating gifts for the precious children and youth we serve through our Residential Treatment Program, Martin Luther School, and foster family care programs at Gemma Services, previously known as Silver Springs-Martin Luther School. We are also very grateful to all the wonderful volunteers that joined us to help wrap and prepare gifts for the children for the annual holiday party. You helped to create special, lifelong memories for our boys and girls!

For many of our children, this may be the first time they experience an abundant holiday season. Thanks to friends like you, we can ensure they know the joy of Christmas and feel cared for by our community. It is our wish that the happiness they experience with us creates hope and healing.

Thank you so much for all you do for our children at Christmastime and through the year! You are the best!

Sincerely,
Amanda Bryant, Development Officer
Gemma Services

Dear Saint Matthew Lutheran Church,

Thank you for your gift of \$20.00 to Lutheran Disaster Response. With your Spirit-filled generosity you bring help and hope to families and communities reeling from disasters here in the United States and around the world. No matter the variety of disaster, no matter the variety of need, your gifts to Lutheran Disaster Response make possible short and long-term recovery and rebuilding of lives and livelihoods.

Thank you for sharing the gifts God has activated in you!

Dear Pastor Karl,

Thank you so much for allowing us to host the Spotted Lantern Fly event at Saint Matthew last night. It was a huge success! We're grateful to partner with you to help all members of our community!

Jennifer O'Mara
State Representative

Dear Brothers and Sisters in Christ,

There are not sufficient words to say "thank you" for all you have done and continue to do. You've demonstrated a

commitment to our work of providing meals to those who might otherwise go without. The support of our local churches is very vital to our continued ability to serve the people of our local communities. Your donations of \$1540 in 2019, including \$700 in individual checks for the Souper Bowl of Caring, were of tremendous help in providing nutritious meals for our families.

You have our heartfelt thanks. God bless all of you in this new year.

Yours in Christ,
Lana Lindenmuth, Financial Director
Loaves and Fishes Food Pantry

Dear Pastor Richard (and congregation):

On behalf of the client families and the volunteers of Loaves and Fishes Food Pantry, we want to thank all of you for your great generosity towards the Pantry. Your donations last year totaled 2375.5 pounds of food which included frozen meats and turkeys *plus* personal care items, pet food, dishes, pots and pans, and laundry detergent. Your ongoing generosity is so thoughtful, and needed.

We are also so appreciative for the volunteers that come to help with the box packing each month. Thank you also to Dave Krauter for delivering the donations each week.

In operation since late August 2001, the Pantry is staffed **completely** by volunteers. In addition to food, we also provide a range of other programs and services, including school supplies, pet food, personal care items, and winter coats.

Each time we are open, new families come to us who have been forced to ask for help as they can no longer afford even the most basic necessities. What this means is a constant influx of new families to Loaves and Fishes.

Your continued support is deeply appreciated for helping us meet our clients' needs throughout the year. Thank you for seeing their need and being so generous in helping them. Your thoughtfulness and generosity for our client families means a great deal. May all of you be blessed as you have continued to bless us. We are deeply grateful.

Blessings,
Joanne F. Castagna, Director
Loaves and Fishes Food Pantry

Dear my Beloved Saint Matthew Family,

I am so very grateful for all of the fellowship team's help with the last two coffee connections in my absence. I hate to miss any event at church, but it is a blessing to know that everyone had a great time and everything went well. I would like to specially thank Gary Pflieger for doing such a great job getting it all set up and moving things along, Kathy Kinder and Nancy Regan for cleaning up, and for all the donations of yummy treats. I heard everyone seemed to enjoy themselves, which fills my heart with joy. I love you all and I am really looking forward to seeing everyone at the next coffee connection on March 8th.

Sincerely,
Nicole Smith

Dear Joan and Women of the ELCA Members,

We thank you for another great donation of various items for our use. It seems like we've been doing this for many years here and I so appreciate your support over the years. Just filed my 2019 calendar today and find that I've been in this job for 18 years, and I think you've been donating to us for most of those years. I am thankful for you.

Hopefully you will all enjoy a happy and healthy 2020. God bless you for your good work!

Sincerely,
Cheryl Everngham, Director of Volunteers
Fair Acres Geriatric Center

Dear Members of Saint Matthew Lutheran Church,

My deepest thanks for Sunday's altar flowers. The beautiful yellow daisies included are holding a special gift I most enjoy.
